Re: Fulfillment of Reporting Obligation
Under 21 U.S.C. & 343(r) and 21 CFR & 101.93

Dear Dr. Yetley:

E'OLA International, in accordance with 21 U.S.C. & 343(r) and 21 CFR & 101.93, hereby submits an original and two copies of its notification of its product marketing with the statement presented below. E'OLA International retains scientific documents supporting the statements.

1. Supplement Brand Name: **Pynogemin Antioxidant formula**
2. Supplemental Ingredient(s) that is the subject of the statement: **Vitamins A, C, E, curcumin, grape seed extract, and pine bark extract.**
3. Text Of Statement Of Nutritional Support: **"help fight free radicals and reverse their harmful effects."**

In accordance with 21 U.S.C. & 343(r) and 21 CFR & 101.93(c), each of the above statements will be followed by an asterisk that will cross-reference to another asterisk on the very same panel or page next to which the following statement will appear in the box in bold-face type: **"These statements have not been evaluated by the Food and Drug Administration. The product is not intended to diagnose, treat, cure or prevent any disease."**

Respectfully Submitted,

Wayne Reis
E'OLA International, Inc.
President
